THE SEMIANNUAL NEWSLETTER OF SUSKIDS PROJECT

Co-funded by the Erasmus+ Programme of the European Union

3rd SUSKIDS MEETING

Due to the COVID19 restrictions, the 3rd Meeting of SUSKIDS that should have been hosted by UCLL last month (October 2020) had to be celebrated online.

In this meeting, the partners checked the progress done in the [Virtual Learning Environment](#), and feedback on the required changes were discussed, as well as regarding the translations into the consortium languages. Moreover, the contents of the course officially recognised by the Irish national entity NCCA were revised in the Output 3 and the development of the Evaluation Guidelines that will be part of the 4th Output of the project was organized. In addition, partners started planning the Final Conference of the project.

SUSKIDS AT THE ERASMUS DAYS

SUSKIDS project was present at the Erasmus Days 2020. On October 17th, we presented officially the teaser video of the Virtual Learning Environment (VLE), with a preview of the contents and activities that will be included. The video is available [at our website](#), and soon, the Virtual Learning Environment will be linked too.

OUR PARTNERS RESEARCH

Our coordinator at the University of Burgos has taken part at the [CIDICO Congress on Educational Innovation](#) hold on November 2020, where they have published two posters. In addition, they have published and article in the journal Sustainability on the relationships between sustainability, inclusive education and disabilities.
